

Fabricator Apprentice

Fabricator Apprentice – Architectural Metal Shop

Currently seeking an apprentice for metal shop fabrication in Emeryville CA. The ideal candidate must have experience or strong interest in fabrication.

Responsibilities of a Fabricator Apprentice:

- Drilling, cutting, grinding, assembly, and layout.
- Ability to work with a team.
- accomplish projects on schedule, within budget, and with quality workmanship.
- Fabrication of custom railing, awning, canopy, trellis, and gates.
- Ability to juggle tasks and manage deadlines.

Requirements of a Fabricator Apprentice:

- Ability or willingness to learn how to read shop drawings.
- Ability to read a tape measure.
- Ability or willingness to learn layout skills.
- Experience with shop equipment is a PLUS (including but not limited to: chop saws, drills, hand and power tools)
- Ability to follow instructions, self-motivated, punctual, and reliable.
- Must be able to lift 75-100 lbs.
- Valid CA driver license.

CANDIDATES MUST PASS A PRE-EMPLOYMENT DRUG SCREENING.

Compensation for a Fabricator Apprentice:

- Full benefits package (medical, dental, 401K, vacation).
- 10 paid holidays per year.
- Hourly Wage: Based on experience.
- Starting Salary: \$18.00 /hour.
- Job Type: Full-time – 7:00 am to 3:30 pm – Monday – Friday.
- We are an equal opportunity employer.

About Us:

In business since 1973 on Oahu, Hawaii, Jayco Hawaii also has a second production facility Emeryville, CA. We specialize in designing, furnishing, and installing custom ornamental metal products throughout Hawaii.
