Join Acara Solutions and Lam Research at our virtual job fair. Video and phone interviews will be scheduled by appointment. Immediate job offers to qualified candidates

What you will need:

- 1 copy of your resume PDF or WORD
- Valid government ID

Virtual interviews will be 20 - 30 minutes.

You must have access to video conferencing technology (i.e. laptop, computer, phone).

Dress business casual and be ready at least 10 minutes before your interview.

Production Assemblers qualifications:

- Mechanical experience and knowledge of hand tools and torque tools
- Ability to assemble to diagram, schematics, or manifests
- High school diploma or GED

Test Technicians qualifications:

- Associate's degree in a technical field of study or equivalent military experience
- Electrical safety training (strongly preferred)
