

CENTRAL CONTRA COSTA SANITARY DISTRICT

5019 Imhoff Place
Martinez, CA 94553
Main: 925-228-9500

**invites applications for the position of:
Mechanical Maintenance Intern**

SALARY: \$24.00 Hourly
OPENING DATE: 10/26/20
FINAL FILING DATE: 11/20/20 05:00 PM

THE POSITION:

Central San has an opening in its Operations Department for a Mechanical Maintenance Intern in the Maintenance Division.

This is a 40-hour Monday through Friday, temporary position for a students with junior or senior standing, graduate students, and students who have graduated within the past 12 months. For this position, a student may also be enrolled in vocational school without junior or senior standing. (i.e. Instrument Tech, Machinist, Mechanical Tech, etc).

The position is a six-month commitment starting in January. The assignment will provide an opportunity for a student to apply their academic preparation to practical work experience in a wastewater utility. The intern will perform a variety of tasks in mechanical maintenance of machinery and equipment and assist with corrective, preventative and predictive maintenance.

MINIMUM QUALIFICATIONS:

Students with education and experience in welding, industrial maintenance, machine technology, process technology, or similar fields are preferred.

SELECTION PROCEDURE:

If you are interested in applying for this position, please send a resume and cover letter **to both** of the following email addresses: bmartinez@centralsan.org, bwalters@centralsan.org
