

MATERIAL HANDLER / RECEIVING CLERK

Do you want to help change the world? Ample, Inc. is a pioneer in the electric vehicle space that is developing a new way to deliver energy to any electric vehicle. At Ample we use advanced robotics to enable fast modular battery swapping that is as fast, as cheap, and as convenient as gas. We are a team of technologists, designers and environmental enthusiasts who believe this problem to be among the most critical challenges of our time. Join Ample and help us make this a reality for billions of vehicles.

Our team solves complex challenges by combining creative technology design with fast iteration. You will be working with a small, intense and highly capable team on cars, robots and intelligent batteries. If the technology doesn't exist, we're not afraid to turn a dream into reality, while always keeping in mind it must be designed for reliability, affordability and easy deployment. As a part of our team, you will be helping to bring technology to market, which will have a significant, positive environmental impact!

Responsibilities:

As a Material Handler / Receiving Clerk at Ample, you will work together with the inventory manager and production team to enable a fast-paced build schedule and organization of multi-product inventory across several warehouses.

As part of our team you will be responsible for accurate and timely receiving of incoming inventory and kit readiness to meet our production schedule.

Duties:

- Receive inventory, complete detailed data entry into inventory system, label, and store in specific location
- Operate a forklift, pallet stacker and pallet jack to move material off trucks and around facility
- Kit parts and deliver kits for the production teams
- Assist in counting of physical inventory
- Organize, maintain and keep clean the warehouse storage and receiving area
- Drive shop van or other company vehicles to transport packages, equipment, supplies, and other assets to offsite facilities
- Crate or palletize finished assemblies and kits for deployment

Skills & Qualifications:

- High School / GED
- ForkLift Trained / Certified, a plus
- Must have the ability to lift up to 50 pounds
- Must be flexible and able to work with minimal supervision

Ample, Inc. is an equal opportunity employer!
