

Swing Shift or Weekend Shift Machinists

Starting Rang: DOE

Anticipated Start Date: ASAP

Location: Roseville, CA

Before applying for this job, please read description in its entirety and if you are qualified and interested, follow the directions below on how to apply.

Harris & Bruno International, an international manufacturing company is seeking full-time Swing Shift or Weekend Shift CNC Machinists. We are open to CNC Operator, Set Up and Programmer levels. An experienced Conventional Machinist with the desire to learn CNC machining would be considered for an entry level CNC role.

These positions will require safety conscious, meticulous and detail oriented people to set up and run CNC machines. Must be able to read blue prints/engineering drawings. Must be able to use precision tools such as calipers, micrometers, dial indicators, etc.

Competitive benefits package available.
No travel required.

EDUCATION and/or EXPERIENCE:

Experience requirements can range from a minimum of two to five years experience as a CNC Operator or Set Up Person, or comparable experience in Conventional Machining.

MasterCam program experience a plus.

Siemens controller experience a plus.

Experience with Haas machinery a plus.

WAYS TO APPLY:

Email HR@harris-bruno.com with the subject line "CNC Machinist" and attach your resume and/or cover letter in only Microsoft Word or PDF format. Please include your desired salary range.
