Torani	San Leandro	Alameda	About Torani In 1925, Rinaldo and Ezilda Torre visited family in Lucca, Italy. The two returned home to their native San Francisco with something very important: handwritten recipes, which they used to create authentic flavored syrups. These syrups helped Rinaldo and Ezilda reintroduce the Italian soda to their North Beach neighborhood. And the sodas were a hit. Years later, Torani helped record another hit: our syrup was used to create the world's first flavored latte!	www.Torani.com	Food & Beverage	51-250	Warehouse / distribution, Finance, HR, Logistics, Sanitation, Manufacturing		8
