

Manufacturing Career Fair

Manufacturing Career Fair
April 14, 2015 (Tuesday)
10:00 am – 12:00 pm

Where: Laney College - outside Machine Shop (room G-100)
- 900 Fallon St., Oakland (Lake Merritt BART)

Who should attend:

- Students interested in jobs in fields such as:
- Machining / Industrial Maintenance / Inspectors
 - Welding
 - Electrical
 - Carpentry
 - entry-level work for manufacturing

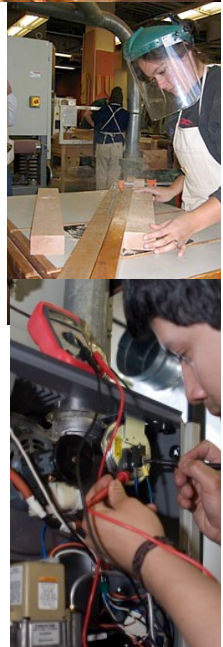

What: This is a career fair for current (and alumni) **community college students** to give you a chance to talk to manufacturing companies that are (or will be) hiring. Representatives from Bay Area companies will be available to talk to you about all types of manufacturing jobs.

- Prepare:**
- 1) **Resumes** (start polishing it up now)
 - 2) Think about what types of jobs you would be interested in
 - 3) Dress appropriately

Questions: Mark Martin – mark.martin@design4X.com
(650) 248-7728
