

Want to learn more about your career interests?

Tuesday, May 5 & 19 at 1 - 2 PM

Wednesday, May 13 at 12 - 1 PM

Laney's College Career Center, Tower Bldg. 201

Attend one of these workshops, and learn how to use **Career Cruising**, an online career exploration software to view occupational information. You can watch short, video clips on experienced professionals sharing tips on what skills and knowledge to start developing for your next career venture.

What you will learn:

- Virtual Information Interviews
- Educational Requirements
- Working Conditions
- Sample Career Path
- Related Careers

Please RSVP Carina Lin, Career/General Counselor at icarina@peralta.edu or call the Counseling Office at (510) 464-3152 to attend this workshop. If there are available seats, students may drop-in without RSVP.
