ApprenticeshipSF Welcomes you to the 2016 Career Fair

We welcome high school seniors, graduates, veterans and college students or those looking to change careers to a 21st-century Career Fair for skilled labor, and construction crafts apprenticeships.

Take the initiative. Apprenticeship lets you earn while you learn. Come down to the Career Fair, meet with representatives from the City and County of San Francisco, labor unions, local businesses, local community colleges, and community based organizations. Today's apprenticeship programs can lead to high paying jobs with great benefits.
