

Manufacturing Job Fair

May 3, 2016 (Tuesday)

11:30 am – 1:30 pm

Where: Laney College
- 900 Fallon St., Oakland (Lake Merritt BART)
- outside Machine Shop (room G-100)

Who should attend: Students interested in jobs in fields such as:

- Machining / Industrial Maintenance / QC Inspection
- Welding
- Electrical
- Carpentry / Wood Technology
- HVAC / Env. Control
- Water / Wastewater
- Entry-level work for manufacturing

What: This is a job fair for current students, alumni, and community members to give you a chance to talk to manufacturing companies that are (or will be) hiring. Representatives from Bay Area companies will be available to talk to you about all types of manufacturing jobs.

Prepare:

- 1) **Resumes** (start polishing it up now)
- 2) Think about what types of jobs you would be interested in
- 3) Dress appropriately

Questions: Mark Martin – markmartin@peralta.edu – (650) 248-7728
Matt Trocker – mtrocker@peralta.edu – (510) 464-3445

COMPANIES: Over 40 manufacturing companies confirmed
