

**Job Opens Online on July 18, 2016**

## **Water Distribution Plumber I**

Hourly Pay \$29.44 - \$34.08

[plus excellent benefits](#)

Water Distribution Plumber I works as a crew member performing physically demanding outdoor work and assisting in the installation, repair and maintenance of underground water distribution pipelines, valves and meters. Assignments may be anywhere within the EBMUD service area (North-South Crockett to San Lorenzo, East-West Oakland to San Ramon)

The **ideal** candidate for this position will have:

- Twelfth grade aptitude in **math, reading comprehension, mechanical and spatial concepts**
- The ability to learn the methods, materials, hand and power tools, and equipment used to perform the critical duties of the job
- The ability to work cooperatively as a crew member
- Experience performing outdoor manual labor using construction tools and equipment

### **CAREER PATH**

Water Distribution Plumber I is the entry level classification in this series. Individuals participate in EBMUD's Plumber Training Academy and normally advance to the Water Distribution Plumber II classification after gaining experience and achieving proficiency which meet the requirements for that classification.

#### **EAST BAY MUNICIPAL UTILITY DISTRICT**

(EBMUD) is the West's largest independent water and wastewater utility, supplying water and providing wastewater treatment for parts of Alameda and Contra Costa counties. Headquartered in Oakland, our mission is to provide reliable, high-quality water and wastewater services for our customers, to exercise responsible stewardship over the natural resources with which we are entrusted, and to protect the environment for future generations.
