

EBMUD CAREERS

Tentative Opening: Fall 2017

Plant Maintenance Mechanic

\$80,388 - \$93,060 Annually, [Plus Excellent Benefits](#)

Plant Maintenance Mechanics install, maintain, adjust, and repair mechanical equipment used in a large municipal wastewater treatment plant, and perform skilled mechanical maintenance and repair work as required. Ideal candidates for this position are skilled, journey-level mechanics.

JOB REQUIREMENTS

I. Completion of the twelfth grade, or its equivalent; **and either**

2a. Attainment of recognized journey level status as a Maintenance Mechanic, Maintenance Machinist, or Millwright with work experience primarily in maintenance repair rather than limited to production machine tool operations.

or

2b. Eighteen months' experience* comparable to the EBMUD's [Plant Maintenance Worker III](#) classification, including satisfactory completion of the appropriate courses and advanced on-the-job training.

Other Requirements:

- Must possess the physical characteristics to perform the critical and important duties of the job, including the ability to lift and carry objects weighing up to 90 pounds.

EAST BAY MUNICIPAL UTILITY DISTRICT

(EBMUD) is the West's largest independent water and wastewater utility, supplying water and providing wastewater treatment for parts of Alameda and Contra Costa counties. Headquartered in Oakland, our mission is to provide reliable, high-quality water and wastewater services for our customers, to exercise responsible stewardship over the natural resources with which we are entrusted, and to protect the environment for future generations.

JOB HOTLINE: (510) 287-0742 for current job openings

- Must be clean shaven when required to wear respiratory protection equipment.
- Must possess a valid California driver's license and a satisfactory driving record, and have the ability to become mobile crane certified by the completion of the probationary period.
- Must be willing to work outside in a variety of weather conditions, around sewage and hazardous process chemicals, and willingness to work overtime as needed.

Hiring Process

All applicants who meet the job requirements will be invited to a two-step testing process:

Step I: Technical oral exam based on the knowledge of pumps, welding, piping systems, hand tools, safety and math.

Step II: Hands-on shop test which includes work on the lathe, welding and pipe assembly.

Candidates successful in the testing process will be placed on a hiring list.

Interested applicants should follow the instructions on the following page to register for upcoming job opportunities and proceed to create an applicant profile. Once this job is officially open for applications, you may actively apply through the Jobs page on www.ebmud.com/jobs.

** Completion of an accredited community college or comparable certificate program in machine tool technology or closely related field, acceptable to EBMUD, may be substituted for the required experience.*

EQUAL OPPORTUNITY EMPLOYER
