

EBMUD CAREERS

Tentative Opening: September 25, 2017

INSTRUMENT TECHNICIAN

Hourly Pay \$42.65 – \$49.37, [Plus Excellent Benefits](#)

Instrument Technicians perform a variety of skilled tasks involved in the installation, maintenance and repair activities for process instrumentation, recording instruments, analytical instruments, autodialer, communications and telemetering systems, control systems such as Emerson's Ovation Distributed Control Systems (DCS) equipment related to water, wastewater, lift/pump stations and reclaimed water facilities.

The most competitive candidates for this position will have:

- Experience with preventive maintenance, modification, calibration, programming, repairs and installation of all field instrument loop and control systems to enhance equipment reliability to meet wastewater treatment regulations.
- Experience with Allen-Bradley PLC5, SLC500, Control Logix, Siemens, Modicon, and GE Fanuc PLCs.
- Ability to provide technical programming support for repair and troubleshooting of network communications, and Emerson's Ovation DCS.

EAST BAY MUNICIPAL UTILITY DISTRICT

is one of the largest independent water and wastewater utilities in the nation, supplying water and providing wastewater treatment for parts of Alameda and Contra Costa counties. Headquartered in Oakland, our mission is to provide reliable, high-quality services for our customers, to exercise responsible stewardship over the natural resources with which we are entrusted, and to protect the environment for future generations.
