

# KEYS TO WORK JOB FAIR

Join Five Keys in creating meaningful employment opportunities with a subsidized partnership. Connect with Alameda County's reentry community through our programs. We're seeking reentry-friendly employers to meet and potentially hire candidates who have graduated from our Keys To Change Cognitive Behavioral Intervention (CBI) Training, a rigorous 10-week certification program, and/or are enrolled in our Keys To Work program. The event will feature 3 rounds of networking with job-ready candidates.
