

Careers in Manufacturing Workshop

4th Bay Area Workshop on Career Pathways in Manufacturing

When: **October 11, 2017 (Wednesday)**
10 am – 3 pm

Where: Scandic Springs
700 Montague Ave.
San Leandro, CA

Who Should Attend?

Community college, K-12, WIB, and CBO counselors, teachers, and administrators who want to learn about Bay Area career pathways in advanced manufacturing should attend. Our goal is for you to learn more about manufacturing so you can let your students and clients know about the career opportunities.
