# SAVE THE DATE

## California

### HTEC / CNC Technology Manufacturing Educators Conference \*

## De Anza College

Gene Haas Center for Design & Manufacturing  
Cupertino, CA

***Advanced Manufacturing:  
“Continuous improvements to meet the  
demands of todays workforce”***

**October 12-13, 2018**

Friday, 6 pm - 9 pm

Reception / Networking (optional)  
Campo di Bocce / Los Gatos

Saturday, 8 am - 3 pm

Main Conference / De Anza BLDG E2

**Registration is FREE!! [Click HERE!!](#)**

Come learn about some of the new innovative educational technologies and how they are being used in the lab, as well as how the educational community is training its students to meet the needs of employers.

*\* The HTEC conference covers issues relevant to CNC machining, Rapid Prototyping instructors (both high school & community college) as well as industry professionals in manufacturing.*

**More Details and Agenda Coming Soon!**
