

Laney College Manufacturing Job Fair

What: Manufacturing Job Fair

**When: May 3, 2016 (Tuesday)
11:30 am – 1:30 pm**

Where: Laney College
900 Fallon St., Oakland, CA (outside G-100, machine shop)

Who Should Attend?

Manufacturing supervisors and HR representatives who are hiring. This is part of the larger Laney Job Fair so if you're also hiring for non-manufacturing positions, students from the general population will be there as well.

And if you're not currently hiring, we encourage you to come take a tour of our shops and talk to our students about future opportunities at your company.
